# Print out your insurance card

The insurance card makes it easy, fast and clear to get help during your stay abroad. Contact Europæiske ERV Alarm if you become ill, hospitalized or in any other way need immediate assistance.

If it is not possible for you to get a traditional "Plastic insurance card", you can fill out the insurance card below, and bring it with you on your stay abroad.

## How-to

Fill out and print your insurance card. Sign it, cut it out and bring it along when traveling.

*Have a nice stay!*
